"It gives me great pleasure to join others in letting the world know about Emmeline Craig and her Artistry of Life Coaching.

At a difficult transition time in my life, I became aware that Emmeline Craig was not only a artist of great talent, a charming intelligent woman with a great sense of humor, but also a Teacher and a Guide.

The work I did with her was pivotal in awakening me to the reality that I, indeed, could do what was necessary in order to survive my extremely disturbing situation. In addition, to my great joy and personal healing, she guided me in applying this awakening knowledge and sense of self to my entire life.

She is intelligent, gentle, insightful and totally trust-worthy and If we were giving her stars, I'd say, start at the Full 100...!" M.C. USA

"Emmeline Craig has been a wonderful influence on me in her role as my life coach.

Where I found her most helpful was in loosening old emotional blocks that I couldn't seem to get to and after working with her I was able to take actions on things that previously stopped me in my tracks. I really appreciated her uncanny knowing of what I needed to hear right at that moment to be able to move ahead. Emmeline was a pleasure to work with and I truly appreciated the time she spent listening to me or sensing what was wrong when at times I couldn't articulate what I needed to say.

Thank you very much Emmeline for all your help."
